

VIEX OPPORTUNITIES FUND, LP – SERIES ONE

May 17, 2021

Dear Fellow Stockholders:

VIEX Opportunities Fund, LP – Series One, part of a series of VIEX Opportunities Fund, LP, a Delaware series limited partnership (“Series One”), and the other participants in this solicitation (collectively, the “Investor Group” or “we”) are significant stockholders of KVH Industries, Inc., a Delaware corporation (“KVHI” or the “Company”), who beneficially own, in the aggregate, 1,787,064 shares of common stock, \$0.01 par value per share (the “Common Stock”), of the Company, constituting approximately 9.7% of the outstanding shares of Common Stock. We are seeking your support at the 2021 Annual Meeting of Stockholders (the “Annual Meeting”) to elect the Investor Group’s two highly qualified nominees (the “Nominees”) to the Company’s Board of Directors (the “Board”).

We believe that the Company’s stock price has suffered massive underperformance due to the lack of oversight of a long-tenured Board. While the Investor Group welcomes the Board’s decision to nominate new and diverse candidates to replace the long-tenured incumbent Class I directors, we are concerned with the search process undertaken and lack of strategic and governance experience that will remain if the Company’s proposed nominees are elected. We strongly believe that the Board must be refreshed with new, independent directors who also have an owner’s mindset to ensure that the interests of KVHI’s stockholders are adequately represented in the boardroom. If elected, our nominees are committed to working cooperatively with the remaining Board members to explore all opportunities to unlock stockholder value.

The Company has a classified Board. There are currently seven directors serving on the Board. We believe two directors have terms expiring at the Annual Meeting. The attached Proxy Statement and enclosed **WHITE** proxy card is soliciting proxies to elect only our nominees. Accordingly, the enclosed **WHITE** proxy card may only be voted for our nominees and does not confer voting power with respect to any of the Company’s director nominees. The names, backgrounds and qualifications of the Company’s nominees, and other information about them, can be found in the Company’s proxy statement. You can only vote for the Company’s director nominees by signing and returning a proxy card provided by the Company. Your vote to elect our nominees will have the legal effect of replacing two incumbent directors with our nominees. If elected, our nominees will constitute a minority on the Board – accordingly, there can be no guarantee that our nominees will be able to implement the actions that they believe are necessary to unlock stockholder value.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed **WHITE** proxy card today. The attached Proxy Statement and the enclosed **WHITE** proxy card are first being furnished to the stockholders on or about May 17, 2021.

If you have already voted for the incumbent management slate, you have every right to change your vote by signing, dating and returning a later dated **WHITE** proxy card or by voting at the Annual Meeting.

If you have any questions or require any assistance with your vote, please contact Saratoga Proxy Consulting LLC, which is assisting us, at its address and toll-free number listed below.

Thank you for your support,

VIEX Opportunities Fund, LP – Series One
Eric Singer

**2021 ANNUAL MEETING OF STOCKHOLDERS
OF
KVH INDUSTRIES, INC.**

**PROXY STATEMENT
OF
VIEX OPPORTUNITIES FUND, LP – SERIES ONE**

PLEASE SIGN, DATE AND MAIL THE ENCLOSED WHITE PROXY CARD TODAY

VIEX Opportunities Fund, LP – Series One, a series of VIEX Opportunities Fund, LP, a Delaware series limited partnership (“Series One” or the “Nominating Stockholder”), VIEX Special Opportunities Fund II, LP (“VSO II”), VIEX GP, LLC (“VIEX GP”), VIEX Special Opportunities GP II, LLC (“VSO GP II”), VIEX Capital Advisors, LLC (“VIEX Capital”) and Eric Singer (collectively, “VIEX”) and the other participants in this solicitation (collectively, the “Investor Group” or “we”) are significant stockholders of KVH Industries, Inc., a Delaware corporation (“KVHI” or the “Company”), who beneficially own in the aggregate 1,787,064 shares of common stock, par value \$0.01 per share (the “Common Stock”), of the Company, representing approximately 9.7% of the Company’s outstanding shares of Common Stock. This Proxy Statement and the enclosed **WHITE** proxy card are first being mailed to stockholders on or about May 17, 2021.

We believe that change on the Board of Directors of the Company (the “Board”) is necessary to ensure that the Company is being run in a manner consistent with stockholders’ best interests. We have nominated two highly-qualified independent directors for election as Class I Directors to the Board at the Company’s Annual Meeting of Stockholders scheduled to be held on June 17, 2021 at 9:00 a.m., Eastern Standard Time, at the Company’s headquarters located at 50 Enterprise Center, Middletown, Rhode Island 02842 (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”). According to the Company’s proxy statement, the Annual Meeting may be held solely by means of remote communication rather than in person. If the Company determines to hold the Annual Meeting by means of remote communication, the Company will announce its decision to do so in advance and provide details on how to participate in a press release issued by the Company and posting on its website. To the extent the Company announces that it will hold the Annual Meeting by means of remote communication, the Investor Group will file definitive additional solicitation materials with the Securities and Exchange Commission disclosing information on how to attend the Annual Meeting.

Stockholders are being asked to take the following actions at the Annual Meeting:

1. To elect Series One’s two director nominees, Eric Singer and John Mutch (the “Nominees”), to the Board as directors to hold office until the 2024 Annual Meeting of Stockholders (the “2024 Annual Meeting”) and until their respective successors have been duly elected and qualified;
2. To approve, in a non-binding “say on pay” vote, the Company’s named executive officer compensation; and
3. To ratify the appointment of Grant Thornton LLP as the Company’s independent registered public accounting firm for 2021.

The Company has a classified Board, which is currently divided into three (3) classes. Based on publicly available information, we believe that the terms of the two (2) Class I directors will expire at the Annual Meeting. According to the Company's proxy statement two incumbent directors, Mark S. Ain and Stanley K. Honey will not be standing for reelection. We are seeking your support at the Annual Meeting to elect our two (2) Nominees in opposition to the Company's two (2) director nominees. Accordingly, the enclosed WHITE proxy card may only be voted for our Nominees and does not confer voting power with respect to any of the Company's director nominees. See the "Voting and Proxy Procedures" section of this Proxy Statement for additional information. You can only vote for the Company's director nominees by signing and returning a proxy card provided by the Company. Stockholders should refer to the Company's proxy statement for the names, backgrounds, qualifications, and other information concerning the Company's nominees. If elected, our Nominees will constitute a minority on the Board and there can be no guarantee that our Nominees will be able to implement any actions that they may believe are necessary to unlock stockholder value.

As of May 17, 2021, the Investor Group collectively owns an aggregate of 1,787,064 shares of Common Stock. The Investor Group intends to vote their shares **FOR** the election of the Nominees, **ABSTAIN** from the non-binding "say on pay" vote to approve the named executive officer compensation, and **FOR** the ratification of Grant Thornton LLP as the Company's independent registered public accounting firm for 2021.

The Company has set the close of business on April 21, 2021 as the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). The mailing address of the principal executive offices of the Company is 50 Enterprise Center, Middletown, RI 02842. Stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. According to the Company, as of the Record Date, there were 18,754,341 shares of Common Stock outstanding.

THIS SOLICITATION IS BEING MADE BY THE INVESTOR GROUP AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OR MANAGEMENT OF THE COMPANY. WE ARE NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE ANNUAL MEETING OTHER THAN AS SET FORTH IN THIS PROXY STATEMENT. BACKGROUND TO THE SOLICITATION

The following is a chronology of material events leading up to this proxy solicitation:

- Mr. Singer has attended many Company presentations and earning calls over the past several years.
- In January 2019, VIEX began building its stockholder position in KVHI based on its evaluation of the Company's publicly available information and its belief that the stock was undervalued.
- On November 6, 2020, Mr. Singer spoke to Brent Bruun, interim Chief Financial Officer and Chief Operating Officer, to discuss the Company's long-term financial underperformance and the metrics the Company uses to measure its success in how it allocates costs to different business units. Mr. Singer had requested that Chief Executive Officer, Martin A. Kits van Heyningen be present as well, but he did not attend the meeting.
- On January 14, 2021, Series One submitted a notice of nomination nominating the Nominees for election to the Board at the Annual Meeting.
- On January 18, 2021, Mr. Singer spoke to Mr. Kits van Heyningen to inform him of Series One's nomination of the Nominees and to express his views that the Nominees, in particular the new perspectives they would contribute to the Board, could help improve the Company's performance.
- On March 4, 2021, VIEX issued an open letter to stockholders announcing that it had nominated two highly qualified candidates for election to the Board. VIEX stated in the open letter that it had nominated the Nominees because of its deep concerns with the Company's poor corporate governance, long tenured Board and poor stock price performance.
- On March 5, 2021, Series One received a letter (the "March 5 Letter") from the Company requesting additional information from the Nominees (the "Information Requests") purportedly required under the Company's Bylaws.
- On March 12, 2021, counsel to Series One responded to the March 5 Letter (the "March 12 Letter") indicating that the Nominees would respond to all reasonable requests in a timely manner.
- On March 16, 2021, counsel to Series One received a letter from counsel to the Company concerning the March 12 Letter (the "March 16 Letter") stating that it requested a response from the Nominees in a more expeditious manner.
- On March 26, 2021, Series One sent a letter to the independent directors of the Board responding to the March 16 Letter. In the letter, Series One argued that the Nominees would not be responding to the Information Requests because it viewed the Information Requests as not reasonable or relevant and serving no purpose but to harass and intimidate the Nominees.
- On April 9, 2021, VIEX filed its preliminary proxy statement with the SEC.
- On April 18, 2021, VIEX and Messrs. Mutch, Radoff and Shaper entered into the Group Agreement (as defined below), pursuant to which Messrs. Radoff and Shaper became participants hereunder and agreed to work with VIEX and Mr. Mutch to elect the Nominees at the Annual Meeting.

- On April 20 and 26, 2021, the Investor Group filed revised preliminary proxy statements with the SEC.
- On April 30, 2021, counsel for the Company called counsel for the Investor Group to notify the Investor Group that the Board was taking the position that the Nominees are allegedly not eligible to stand for election at the Annual Meeting due to the Nominees not responding to the Information Requests, despite VIEX's repeated assertion that the Information Requests are not required by the Bylaws or the federal proxy rules and are not reasonable or relevant. Despite delivering this message, counsel for the Company then raised the possibility of a potential settlement agreement, pursuant to which, among other things, the Company offered to allow the Investor Group to cooperate in the Company's announcement of its two new director candidates, Mr. Honey would serve another three-year term and Mr. Shaper would serve as a consultant to the Board.
- Also on April 30, 2021, counsel for the Investor Group responded to the Company's proposed settlement terms noting that while the Investor Group embraced the addition of two new, diverse directors, the Company's offer was not sufficient because it did not provide for the addition of a stockholder to the Board. Counsel for the Investor Group proposed that Mr. Shaper be appointed as a director in addition to the new directors identified by the Company, subject to the Investor Group's ability to review the Company's new directors' nomination to determine if it was in the best interest of shareholders. The Investor Group also proposed that Mr. Honey should resign from the Board at the Annual Meeting and that the Board should form a steering committee, on which Mr. Shaper would serve and the purpose of which would be to improve the Company's financial performance.
- On May 1, 2021, the Company rejected the Investor Group's counteroffer, claiming that it had determined that Mr. Shaper was unfit to serve on the Board due to certain alleged statements made by a bankruptcy judge concerning Mr. Shaper in connection with the Speedcast International bankruptcy proceedings. The Company repeated its offer to have Mr. Shaper serve as a consultant to the Board and to have Mr. Honey remain on the Board. The Company preemptively stated that it would not consider adding Mr. Mutch to the Board. In response, the Investor Group reiterated its view that it is integral to add a stockholder to the Board and suggested that the Board appoint Mr. Radoff.
- On May 2, 2021, the Company responded that it would not appoint Mr. Radoff to the Board under any circumstances, but would agree that Mr. Honey would not stand for re-election at the Annual Meeting. The Company proposed again that Mr. Shaper could serve as a consultant to the Board and CEO. The Investor Group responded that it would be happy to have the Board meet with Mr. Radoff that evening and requested that the Board reconsider appointing a stockholder to the Board, especially considering that the Investor Group owned over 7% of the outstanding shares and was asking for just one Board seat out of eight. The Board responded that it would not accept any stockholder from the Investor Group going on the Board.
- On May 3, 2021, after attempting to negotiate a potential settlement agreement over the weekend, the Company publicly announced that it had determined that the Nominees would not be eligible to stand for election at the Annual Meeting, Messrs. Ain and Honey would not stand for re-election at the Annual Meeting and that its plans to nominate two new directors to the Board to fill the vacancies caused by Messrs. Ain and Honey not standing for re-election at the Annual Meeting.
- On May 4, 2021, counsel to VIEX sent a letter to counsel to the Company contesting the Board's determination that the Nominees are ineligible to stand for election at the Annual Meeting,

demanding that the Company cease and desist making statements to this effect and reserving all rights with respect to its nominations.

- On May 6, 2021, the Investor Group filed a revised preliminary proxy statement.
- Also on May 6, 2021, counsel to the Company sent a letter to counsel to VIEX purporting to provide a legal basis for the Board's invalidation of VIEX's Nominees and reducing the number of supplemental information requests (the "Revised Advance Notice Requests") concerning the Nominees.
- On May 10, 2021, counsel to VIEX sent a letter to counsel to the Company (the "May 10 Letter") reiterating its view that the Information Requests were not reasonable, sent in good faith or required information under the Company's Bylaws. Notwithstanding the foregoing and in the interest of reducing further corporate spending, the May 10 Letter responded to the Revised Advanced Notice Requests.
- On May 11, 2021, the Company filed a revised preliminary proxy statement, which disclosed, among other things, that the Board had declared that the Nominees are eligible to stand for election at the Annual Meeting.
- On May 17, 2021, the Investor Group filed this definitive proxy statement.

REASONS FOR THE SOLICITATION

The Investor Group has nominated two highly qualified directors because we are deeply concerned by the Company's prolonged stock price underperformance, poor corporate governance, and staleness of the Board that has failed, in our view, to hold management accountable for the Company's poor performance.

The Board has overseen poor total shareholder returns over multiple periods

Despite a recent uptick earlier this year, KVHI's stockholder value has historically underperformed its peers under the incumbent Board's oversight. The Company's total shareholder returns (TSR) were negative over the past ten-year period and have significantly lagged behind market and industry peers' growth over the past one-, three- and five-year periods. The even longer term performance over the past ten- and fifteen-year periods puts in bold the underperformance of KVHI under the leadership of this Board – specifically, the Chairman of the Board, Mr. Kits van Heyningen, has served for 39 years, and the Chairman of both the Nominating and Corporate Governance Committee and the Compensation Committee, Mr. Ain, has served for 24 years. Over each period, KVHI has significantly trailed the Russell 2000 Index, the Russell 3000 Index and the Russell 2000 Utilities: Telecommunications Index:

Total Shareholder Returns

	KVHI	Russell 2000 Index	Russell 3000 Index	Russell 2000 Utilities: Telecommunications Index
1-year	8.70%	27.39%	22.80%	36.74%
3-year	9.00%	39.43%	49.54%	29.50%
5-year	41.22%	114.06%	123.26%	66.77%
10-year	-7.22%	307.20%	333.75%	162.73%
15-year	11.27%	272.28%	310.45%	N/A

TSR as of 1/14/2021 (date Series One delivered its notice of nomination)

We believe that the large increase in the number of KVHI shares outstanding, over a relatively short period of time, has contributed to the Company's poor TSR. As disclosed in KVHI's Annual Report for fiscal year 2015, filed with the Securities and Exchange Commission (the "SEC") on March 16, 2016, the Company had 16,168,380 shares of Common Stock outstanding as of March 11, 2016. This figure climbed to 18,429,840 shares of Common Stock outstanding as of February 22, 2021, as disclosed in KVHI's Annual Report for fiscal year 2020, filed with the SEC on March 3, 2021 (the "2020 Annual Report"). This represents an ***approximate 14% dilution*** over a mere five years.

We believe the Company's poor corporate governance has also contributed to its poor TSR

The Company maintains several defensive corporate governance tactics that have permitted the Board to entrench itself and become stale. We believe immediate Board refreshment is required to address these defensive mechanics, which include the following:

- **Classified Board.** The Company has a classified Board, with only two Class I directors to be considered for election at the Annual Meeting – dampening stockholders' voice at any one meeting.

- **Combined Chairman/CEO.** Martin Kits van Heyningen serves as both the Chairman of the Board and the CEO. In our view, combining these positions negatively affects the independence of the Board and ability of the stockholders to hold the Chairman accountable.
- **No Action by Written Consent.** KVHI's Bylaws flatly prohibit stockholders from taking or approving any action by written consent, thereby requiring all actions to be taken or approved at a duly constituted annual or special meeting and increasing the overall cost and expense of such actions to the Company's stockholders.
- **Supermajority Vote to Amend Bylaws.** Any amendment or repeal of the provisions of the Bylaws governing the Board requires the affirmative vote of the holders of an incredible 75% of the Company's outstanding stock – deterring any effort to address these provisions.
- **Board Includes Two Insiders.** Just a mere three years after the conclusion of over thirty years of service to the Company, the Board appears to have recently determined that James Dodez is now an “independent director” to appoint him to the Nominating and Corporate Governance Committee and the Audit Committee in August 2020. Not only do we find that this close reading of the NASDAQ independent director definition is unlikely to be accurate in Mr. Dodez's case, but there seems no reason to have two effective insiders in the Boardroom, particularly in light of the Company's dismal stockholder performance.

We believe that these governance provisions and actions are an improper use of the Company's corporate machinery to insulate the incumbent Board and that a refreshed Board would be better equipped to address these issues and drive greater stockholder returns.

We are deeply concerned by the Board's lack of apparent oversight

The Company reported losses from operations for fiscal years 2018, 2019 and 2020 of approximately **\$54,679,000** in the aggregate. Despite, the Company experiencing large losses from operations, the Board **only met five times** in each of fiscal years 2018 and 2019, and this number **decreased to only four times** in fiscal year 2020. We would expect the Board of a company experiencing high levels of operating losses to meet more frequently and be highly attuned to the operations of the company. In light of the Company's poor operational performance, the Board does not appear to be asking accountability laden questions or regularly engaged in the oversight of KVHI's management.

We Believe the Board's self-refresh is reactionary in nature and does not address the core issues plaguing the Board

We believe that the timing of the Board's self-refresh strongly suggests that it was only undertaken in direct response to our nomination of two highly-qualified director nominees. While we embrace and welcome the addition of two new, diverse directors to replace Messrs. Ain and Honey—each of whom has served on the Board for more than 24 years—we believe this refresh is too little too late. In our view, it should not be necessary for a shareholder to nominate director candidates to the Board for the Board to finally appreciate that having multiple directors with tenures spanning over two decades is not in-line with best corporate governance practices. In addition, we believe that the Board's self-directed refresh, which was undertaken without consulting a significant shareholder that had already publicly announced its intention to nominate director candidates, fails to address the Company's long-term financial underperformance and, in our mind, without a stockholder representative added to the Board with strong strategic and governance expertise, we do not believe management will develop a viable plan to restore profitability and generate value for stockholders.

The Investor Group's Nominees possess the backgrounds, experience and fresh perspectives needed to maximize value for KVHI's stockholders

The Investor Group believes that Board refreshment is long overdue, and an infusion of directors who have strong track records of holding management teams accountable to drive greater value should be added to the Board. Our director candidates each have an owner's mindset and their interests are aligned with stockholders with real capital at risk, not just minimal holdings. Our director candidates also have a clear vision for working collaboratively with the other Board members to try to unlock the intrinsic value of KVHI's portfolio for all stockholders. Our Nominees, who both own stock, will bring a stockholder's perspective into the boardroom, as well as extensive public company board and technology sector experience.

Our Nominees are as follows:

John Mutch is a seasoned operating executive and investor in the technology industry with over 30 years of public and private company operating and investing experience with a long, sustained track record of creating stockholder value and extensive executive management experience. Mr. Mutch serves as managing partner of MV Advisors LLC ("MV Advisors"), a strategic block investment firm that provides focused investment and strategic guidance to small and mid-cap technology companies. Previously, Mr. Mutch served as President, CEO and Chairman of the Board of Directors of BeyondTrust Software, a privately-held security software company. He also served as President and CEO of both Peregrine Systems and HNC Software, an enterprise analytics software provider. Mr. Mutch currently serves as a member of the Board of Directors of Agilysys, Inc., and as the Chairman of the Board of Aviat Networks and previously served as a director of Maxwell Technologies, Inc., YuMe, Inc., Steel Excel Inc., Phoenix Technology, Edgar Online, Aspyra, Inc., Overland Storage, Inc. and Brio Software, Inc.

Eric Singer has demonstrated financial expertise and significant experience serving as a director of various technology companies. Mr. Singer serves as the managing member of each of VIEX GP, VSO GP II and VIEX Capital. Currently, Mr. Singer serves on the board of directors of A10 Networks, an application controller and firewall cloud security company, where he has served as Lead Independent Director since September 2020, and Immersion Corporation, a premier licensing company focused on the creation, design, development, and licensing of innovative haptic technologies, where he has served as Executive Chairman since August 2020. Previously, Mr. Singer served as chairman of the board of directors of RhythmOne plc, YuMe, Inc. and Sigma Designs, Inc., and as a director of Quantum Corporation, Support.com, Numerex Corp., TigerLogic Corporation, IEC Electronics, Meru Networks, Inc., PLX Technology, Inc. and Zilog Corporation.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company currently has a classified Board, which is divided into three (3) classes. The directors in each class are elected for terms of three (3) years so that the term of office of one (1) class of directors expires at each annual meeting of stockholders. Based on publicly available information, we believe the terms of two (2) Class I directors will expire at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our two (2) Nominees, John Mutch and Eric Singer, in opposition to the Company's two (2) Class I director nominees.

This Proxy Statement and enclosed **WHITE** proxy card is soliciting proxies to elect only our nominees and does not confer voting power with respect to any of the Company's director nominees. Your vote to elect our Nominees will have the legal effect of replacing two (2) of the Company's director nominees with our Nominees. If elected, our Nominees will represent a minority of the members of the Board, and therefore it is not guaranteed that they can implement the actions that they believe are necessary to enhance stockholder value. There is no assurance that any incumbent director will serve as a director if our Nominees are elected to the Board. You should refer to the Company's proxy statement for the names, background, qualifications and other information concerning the Company's nominees.

THE NOMINEES

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments for the past five years of the Nominees. The specific experience, qualifications, attributes and skills that led us to conclude that the Nominees should serve as directors of the Company is set forth above in the section entitled "Reasons for the Solicitation" and below. This information has been furnished to us by the Nominees. All of the Nominees are citizens of the United States of America.

John Mutch, age 64, has served as managing partner of MV Advisors LLC ("MV Advisors"), a strategic block investment firm that provides focused investment and strategic guidance to small and mid-cap technology companies, since founding the firm in December 2005. (formerly NSDAQ: PRGN) ("Peregrine Systems"), a provider of enterprise asset and service management solutions, where he assisted the company in a bankruptcy work-out proceeding and was named President and Chief Executive Officer in July 2003. (NYSE: YUME), a provider of digital video brand advertising solutions, from July 2017 to February 2018, at which

time the company was acquired by RhythmOne plc (LON: RTHM), a technology-enabled digital media company, and Mr. Mutch continued serving as a director on the RhythmOne plc board of directors until January 2019, and Steel Excel Inc. (formerly OTCPK: SXCL), a provider of drilling and production services to the oil and gas industry and a provider of event-based sports services and other health-related services, from 2007 to May 2016. In addition, Mr. Mutch previously served on the boards of directors of Phoenix Technologies Ltd. (formerly NASDAQ: PTEC), a leader in core systems software products, services and embedded technologies, Edgar Online, Inc. As of May 17, 2021, Mr. Singer does not directly own any securities of the Company and has not entered into any transactions in securities of the Company during the past two years. Mr. Singer, as the managing member of VIEX GP, the general partner of Series One, VSO GP II, the general partner of VSO II, and VIEX Capital, the investment manager of Series One and VSO II, may be deemed to beneficially own the (i) 800,939 shares of Common Stock beneficially owned directly by Series One and (ii) 267,658 shares of Common Stock beneficially owned directly by VSO II.

As of May 17, 2021, Mr. Mutch directly beneficially owns 10,000 shares of Common Stock.

For information regarding transactions in securities of the Company during the past two years by the Nominees, please see Schedule I.

Each Nominee is a member of a “group” with the other Participants for the purposes of Section 13(d)(3) of the Exchange Act, and such group may be deemed to beneficially own the 1,787,064 shares of Common Stock beneficially owned in the aggregate by all of the Participants. Each Nominee disclaims beneficial ownership of the shares of Common Stock that he does not directly own.

The Investor Group believes that each Nominee presently is, and if elected as a director of the Company, each of the Nominees would be, an “independent director” within the meaning of (i) applicable NASDAQ listing standards applicable to board composition, including Rule 5605(a)(2), and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. Notwithstanding the foregoing, the Series One acknowledges that no director of a NASDAQ listed company qualifies as “independent” under the NASDAQ listing standards unless the board of directors affirmatively determines that such director is independent under such standards. Accordingly, the Investor Group acknowledges that if any Nominee is elected, the determination of the Nominee’s independence under the NASDAQ listing standards ultimately rests with the judgment and discretion of the Board. No Nominee is a member of the Company’s compensation, nominating or audit committee that is not independent under any such committee’s applicable independence standards.

VIEX Capital has signed a letter agreement, pursuant to which it has agreed to indemnify Mr. Mutch against claims arising from the solicitation of proxies from the Company’s stockholders in connection with the Annual Meeting and any related transactions.

The Participants have entered into an Amended and Restated Group Agreement (the “Group Agreement”) pursuant to which, among other things, the parties agreed (a) to solicit proxies for the election of the Nominees at the Annual Meeting, (b) that each party would not enter into any transactions in the securities of the Company without the prior written consent of VIEX and (c) that VIEX would bear all expenses incurred in connection with the Participants’ activities, including approved expenses incurred by any of the parties in connection with the Solicitation, subject to certain limitations.

Mr. Mutch has granted Eric Singer power of attorney to execute certain SEC filings and other documents in connection with the solicitation.

Other than as stated herein, and except for the compensation that may be received by Mr. Singer as managing member of each of VIEX GP, VSO GP II, and VIEX Capital, there are no arrangements or understandings between the members of the Investor Group and the Nominees or any other person or persons pursuant to which the nomination of the Nominees described herein are to be made, other than the consent by each of the Nominees to be named in this Proxy Statement and to serve as a director of the

Company if elected as such at the Annual Meeting. None of the Nominees is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceedings.

We do not expect that any of the Nominees will be unable to stand for election, but, in the event any Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed **WHITE** proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Bylaws and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to the Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying each of the Nominees, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, we would identify and properly nominate such substitute nominee(s) in accordance with the Bylaws and shares of Common Stock represented by the enclosed **WHITE** proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Series One that any attempt to increase the size of the current Board or to reconstitute or reconfigure the classes on which the current directors serve, constitutes an unlawful manipulation of the Company's corporate machinery. In the event the Investor Group nominates a substitute and/or additional nominee, as applicable, prior to the Annual Meeting, it will file an amended proxy statement identifying such nominee, disclosing whether such nominee has consented to being named in the revised proxy statement and to serve as a director of the Corporation if elected, and otherwise disclose such other information required by applicable law.

WE URGE YOU TO VOTE "FOR" THE ELECTION OF THE NOMINEES ON THE ENCLOSED WHITE PROXY CARD.

PROPOSAL NO. 2

ADVISORY APPROVAL OF THE COMPANY'S NAMED EXECUTIVE OFFICER COMPENSATION

As discussed in further detail in the Company's proxy statement, the Company is asking stockholders to indicate their support for the compensation of the Company's executive officers. This proposal, commonly known as a "say-on-pay" proposal, is not intended to address any specific item of compensation, but rather the overall compensation of the Company's executive officers and the philosophy, policies and practices described in the Company's proxy statement. Accordingly, the Company is asking stockholders to vote for the following resolution:

RESOLVED: That the stockholders of KVH Industries, Inc. hereby approve, on an advisory basis, the compensation of the corporation's named executive officers, as described in the executive compensation tables and the accompanying narrative disclosure set forth in the corporation's proxy statement for the 2021 annual meeting of stockholders.

According to the Company's proxy statement, approval of this proposal requires the affirmative vote of the holders of a majority of the votes cast on the proposal at the Annual Meeting.

As disclosed in the Company's proxy statement, the stockholder vote on the say-on-pay proposal is an advisory vote only, and is not binding on the Company, the Board or the Compensation Committee or creating or implying any additional fiduciary duty for any of them. However, as disclosed in the Company's proxy statement, the Compensation Committee and the Board of Directors will consider the outcome of the vote when making future compensation decisions for named executive officers.

**WE MAKE NO RECOMMENDATION WITH RESPECT TO THE SAY-ON-PAY PROPOSAL
AND INTEND TO "ABSTAIN" FROM VOTING OUR SHARES WITH RESEPCT TO THIS
PROPOSAL.**

PROPOSAL NO. 3

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM FOR 2021**

As discussed in further detail in the Company's proxy statement, the Company's Audit Committee has appointed Grant Thornton LLP as the Company's independent registered public accounting firm for the year ending December 31, 2021 and is proposing that stockholders ratify such appointment. The Company is submitting the appointment of Grant Thornton LLP for ratification of the stockholders at the Annual Meeting.

**WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS PROPOSAL AND INTEND
TO VOTE OUR SHARES "FOR" THIS PROPOSAL.**

VOTING AND PROXY PROCEDURES

Stockholders are entitled to one vote for each share of Common Stock held of record on the Record Date with respect to each matter to be acted on at the Annual Meeting. Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares after the Record Date. Based on publicly available information, the Investor Group believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Common Stock.

Shares of Common Stock represented by properly executed **WHITE** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted **FOR** the election of the Nominees, **ABSTAIN** from the advisory vote to approve the named executive officer compensation, **FOR** the ratification of Grant Thornton LLP as the Company's independent registered public accounting firm for 2021, and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting, as described herein.

Based on publicly available information, we believe the current Board intends to nominate two (2) candidates for election as Class I directors at the Annual Meeting. Accordingly, the enclosed **WHITE** proxy card may only be voted for our Nominees and does not confer voting power with respect to the Company's nominees. The names, backgrounds and qualifications of the Company's nominees, and other information about them, can be found in the Company's proxy statement. In the event that some of the Nominees are elected, there can be no assurance that the Company nominee(s) who get the most votes and are elected to the Board will choose to serve as on the Board with the Nominees who are elected.

According to the Company's proxy statement, the Annual Meeting may be held solely by means of remote communication rather than in person. If the Company determines to hold the Annual Meeting by means of remote communication, the Company will announce its decision to do so in advance and provide details on how to participate in a press release issued by the Company and posting on its website. To the extent the Company announces that it will hold the Annual Meeting by means of remote communication, the Investor Group will file definitive additional solicitation materials with the Securities and Exchange Commission disclosing information on how to attend the Annual Meeting.

QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of the Common Stock issued and outstanding and entitled to vote at the Annual Meeting on the Record Date will constitute a quorum for the transaction of business.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. According to the Company's proxy statement, shares represented by "broker non-votes" will not be counted as present and entitled to vote for purposes of determining a quorum. Therefore, if you hold your shares in "street name" and do not provide voting instructions to your broker, then your shares will not be counted in determining the outcome of any of the proposals at the Annual Meeting, nor will your shares be counted for purposes of determining whether a quorum exists.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. Brokers do not have discretionary authority to

vote on any of the proposals at the Annual Meeting. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will not count for purposes of attaining a quorum and will not be voted on the proposals.

VOTES REQUIRED FOR APPROVAL

Election of Directors — According to the Company’s proxy statement, directors will be elected pursuant to a plurality voting standard, which means that the two nominees for director receiving the highest number of “FOR” votes will be elected as directors of the Company. Neither an abstention nor a “broker non-vote” will count as a vote cast “FOR” a director nominee. Therefore, abstentions and “broker non-votes” will have no direct effect on the outcome of the election of directors.

Advisory Vote on Executive Compensation — According to the Company’s proxy statement, although the vote is non-binding, assuming that a quorum is present, the advisory vote on executive compensation will be approved if the holders of the majority of the votes properly cast of shares present and entitled to vote on the matter approve the Company’s resolution on executive compensation. The Company has indicated that abstentions and broker non-votes will have no direct effect on the outcome of this proposal.

Ratification of the Selection of Accounting Firm — According to the Company’s proxy statement, assuming that a quorum is present, the appointment of Grant Thornton LLP will be deemed to have been ratified if the holders of the majority of the votes properly cast of shares present and entitled to vote on the matter vote in favor of ratification. The Company has indicated that abstentions and broker non-votes will have no direct effect on the outcome of this proposal.

If you sign and submit your **WHITE** proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with Series One’s recommendations specified herein and in accordance with the discretion of the persons named on the **WHITE** proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

REVOCAION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy), by voting again by telephone or through the Internet, by delivering a written notice of revocation, or by signing and delivering a subsequently dated proxy which is properly completed. The revocation may be delivered either to the Investor Group in care of Saratoga at the address set forth on the back cover of this Proxy Statement or to the Company at 50 Enterprise Center, Middletown, Rhode Island 02842 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to the Investor Group in care of Saratoga at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares of Common Stock. Additionally, Saratoga may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by the Investor Group. Proxies may be solicited by mail, facsimile, telephone, Internet, in person and by advertisements.

VIEX has entered into an agreement with Saratoga for solicitation and advisory services in connection with this solicitation, for which Saratoga will receive a fee not to exceed \$100,000, together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. Saratoga will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. VIEX has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares of Common Stock they hold of record. VIEX will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that Saratoga will employ approximately 15 persons to solicit stockholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by VIEX. Costs of this solicitation of proxies are currently estimated to be approximately \$400,000 (including, but not limited to, fees for attorneys, solicitors and other advisors, and other costs incidental to the solicitation). VIEX estimates that through the date hereof its expenses in connection with this solicitation are approximately \$200,000. VIEX may seek reimbursement from the Company of all expenses it incurs in connection with this solicitation but does not intend to submit the question of such reimbursement to a vote of security holders of the Company.
