

## ATG CAPITAL OPPORTUNITIES FUND LP

SEPTEMBER 4, 2026

Dear Fellow Stockholders:

ATG Capital Opportunities Fund LP, together with certain of its affiliates (“ATG,” “we” or “us”) and the other participants named herein are significant stockholders of Empery Digital Inc., a Delaware corporation (the “Company” or “EMPD”) who beneficially own, in the aggregate, 4,500,000 shares of Common Stock, par value \$0.00001 per share (the “Common Stock”), of the Company, constituting approximately 16.0% of the outstanding Common Stock. We believe meaningful change to the composition of the Board of Directors of the Company (the “Board”) is urgently needed to ensure that the Company is being run in a manner consistent with your best interests. Accordingly, we are seeking your support for the election of our four (4) highly-qualified nominees, James C. Elbaor, Gabriel D. Gliksberg, Meredith S. Kirshenbaum and Aaron T. Morris (collectively, the “ATG Nominees”) to the Board at the 2026 annual meeting of stockholders to be held online at [www.virtualshareholdermeeting.com/EMPD2026](http://www.virtualshareholdermeeting.com/EMPD2026), on Wednesday, October 14, 2026, at 10:00 A.M. Central Time (including any adjournments, postponements or continuations thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”).

There are currently eight (8) directors and one vacancy on the Board.<sup>1</sup> According to the Company’s proxy statement, the Board intends to elect nine (9) director nominees to serve for a one-year term ending at the 2027 Annual Meeting. Through the attached Proxy Statement and enclosed **GOLD** universal proxy card, we are soliciting proxies to elect not only our four (4) ATG Nominees, but also five (5) of the Company’s nominees whose election we do not oppose.

The Company has alleged that our nomination of the ATG Nominees is invalid under the Company’s Third Amended and Restated Bylaws (the “Bylaws”). We vehemently disagree with the Company’s purported determination and filed a lawsuit (the “Chancery Action”) in the Delaware Court of Chancery (the “Court”) asserting that the Board breached the Bylaws and breached its fiduciary duties in rejecting ATG’s nomination notice. ATG sought declaratory and injunctive relief including, among other items, an order declaring that our nomination of the ATG Nominees satisfied the Bylaws and was valid, and enjoining the Company from soliciting proxies until such time as it has made corrective disclosures with respect to our nominations. On August 28, 2026, the Court issued its ruling in the Chancery Action, holding that our nomination of the ATG Nominees was valid and complied with the Bylaws. The Court further found that “the Board’s reject[ion] [of] the Nomination Notice was inequitable and constituted a breach of the directors’ fiduciary duties.”

ATG Capital and the Company will each be using a universal proxy card for voting on the election of directors at the Annual Meeting, which will include the names of all nominees for election to the Board. Stockholders will have the ability to vote for up to nine (9) nominees on ATG Capital’s enclosed **GOLD** universal proxy card. Any stockholder who wishes to vote for any combination of the Company’s nominees and the ATG Nominees may do so on ATG Capital’s enclosed **GOLD** universal proxy card. There is no need to use the Company’s white universal proxy card or voting instruction form, regardless of how you wish to vote. In any case, we recommend that the stockholders vote in favor of the ATG Nominees, who we believe are most qualified to serve as directors in order to achieve a Board composition that we believe is in the best interest of all stockholders.

---

<sup>1</sup> On December 8, 2025, the Company disclosed that former director Ms. Karin-Joyce Tjon had resigned from the Board effective December 3, 2025. The Company has not disclosed any reduction to the size of the Board or the appointment of a new director to fill the vacancy resulting from Ms. Tjon’s resignation. See Company’s Current Report on Form 8-K filed with the SEC on December 8, 2025.

---

We strongly believe that stockholders will benefit from a meaningfully refreshed Board that includes the addition of independent directors with fresh perspectives, extensive leadership experience, and a shared objective of enhancing value for the benefit of all EMPD stockholders. The individuals that we have nominated are highly qualified, significantly experienced and ready to ensure that the interests of stockholders, the true owners of EMPD, are appropriately represented in the boardroom.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed **GOLD** universal proxy card today. The attached Proxy Statement and the enclosed **GOLD** universal proxy card are first being sent to the stockholders on or about September 4, 2026.

If you have already voted for the incumbent management slate, you have every right to change your vote by signing, dating and returning a later dated **GOLD** universal proxy card or by voting virtually at the Annual Meeting.

If you have any questions or require any assistance with your vote, please contact Saratoga Proxy Consulting, LLC, which is assisting us, at its address and toll-free number listed below.

ATG Capital Opportunities Fund LP (“ATG Fund”) and certain of its affiliates (the “ATG,”) and the other participants in this solicitation (collectively, “ATG Capital”) are significant stockholders in Empery Digital Inc., a Delaware corporation (the “Company,” or “EMPD”), who beneficially own, in the aggregate, 4,500,000 of Common Stock, par value \$0.00001 per share (the “Common Stock”), of the Company, constituting approximately 16.0% of the outstanding shares of Common Stock. We believe that the Board of Directors of the Company (the “Board”) must be meaningfully refreshed to ensure that the Board takes the necessary steps to maximize value for all of the Company’s stockholders. To that end, we have nominated four (4) highly-qualified directors for election at the 2026 annual meeting of stockholders (including any adjournments, postponements or continuations thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”) who have strong, relevant backgrounds and who are committed to fully exploring all opportunities to unlock stockholder value. The Annual Meeting will be held online at [www.virtualshareholdermeeting.com/EMPD2026](http://www.virtualshareholdermeeting.com/EMPD2026), on Wednesday, October 14, 2026, at 10:00 A.M. Central Time, for the following items of business:

1. To elect nine (9) directors, including ATG Fund’s four (4) director nominees, James C. Elbaor, Gabriel D. Gliksberg, Meredith S. Kirshenbaum and Aaron T. Morris (each an “ATG Nominee” and collectively, the “ATG Nominees”) to the Board to hold office until the 2027 annual meeting of stockholders (the “2027 Annual Meeting”);
2. To approve the Empery Digital Inc. 2025 Equity Incentive Plan including shares authorized for issuance of 6,846,589 (the “2025 Stock Plan Proposal”);
3. To ratify the appointment of MaloneBailey, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2026 and the review of the Company’s quarterly financial statements for the fiscal quarters ending March 31, June 30, and September 30, 2027; and
4. To transact such other business as may properly come before the Annual Meeting.

This Proxy Statement and the enclosed **GOLD** universal proxy card are first being mailed to stockholders on or about September 4, 2026.

The Company has disclosed that the Annual Meeting will take place in a virtual meeting format only. Stockholders will not be able to attend the Annual Meeting in person. For further information on how to attend and vote virtually at the Annual Meeting and by proxy please see the “Voting and Proxy Procedures” and “Virtual Meeting” sections of this Proxy Statement.

There are currently eight (8) directors and one vacancy on the Board.<sup>1</sup> According to the Company's proxy statement, the Board will elect nine (9) director nominees to serve for a one-year term. Accordingly, we believe that nine (9) directors will stand for election at the Annual Meeting. Through this Proxy Statement and enclosed **GOLD** universal proxy card, we are soliciting proxies to elect not only our four (4) ATG Nominees, but also the five (5) of the Company's nominees whose election we do not oppose, John Kim, Matthew Homer, Jonathan Foster, Adrian Solgaard and E. Taylor Robertson (the "Unopposed Company Nominees").

The Company has alleged that our nomination of the ATG Nominees is invalid under the Company's Third Amended and Restated Bylaws (the "Bylaws"). We vehemently disagree with the Company's purported determination and filed a lawsuit (the "Chancery Action") in the Delaware Court of Chancery (the "Court") asserting that the Board breached the Bylaws and breached its fiduciary duties in rejecting the Nomination Notice (as defined herein). ATG Fund sought declaratory and injunctive relief including, among other items, an order declaring that our nomination of the ATG Nominees satisfied the Bylaws and was valid, and enjoining the Company from soliciting proxies until such time as it has made corrective disclosures with respect to our nominations. On August 28, 2026, the Court issued its ruling in the Chancery Action, holding that ATG's nomination of the ATG Nominees was valid and complied with the Bylaws. The Court further found that "the Board's reject[ion] [of] the Nomination Notice was inequitable and constituted a breach of the directors' fiduciary duties."

ATG Capital and EMPD will each be using a universal proxy card for voting on the election of directors at the Annual Meeting, which will include the names of all nominees for election to the Board. Stockholders will have the ability to vote for up to nine (9) nominees on the enclosed **GOLD** universal proxy card. There is no need to use the Company's white universal proxy card or voting instruction form once distributed, regardless of how you wish to vote.

Your vote to elect the four (4) ATG Nominees will have the legal effect of replacing four (4) incumbent directors with the ATG Nominees. If elected, the ATG Nominees, subject to their fiduciary duties as directors, will seek to work with the other members of the Board to evaluate all opportunities to enhance stockholder value. However, the ATG Nominees will constitute a minority of the Board and there can be no guarantee that they will be able to implement the actions that they believe are necessary to unlock shareholder value. There is no assurance that any of the Company's nominees will serve as directors if all or some of the ATG Nominees are elected. The names, backgrounds and qualifications of the Company's nominees, along with other information about them, can be found in the Company's proxy statement.

Stockholders are permitted to vote for less than nine (9) or any combination (up to nine (9) total) of the ATG Nominees and the Company's nominees on the enclosed **GOLD** universal proxy card. However, if stockholders choose to vote for any of the Company's nominees, we recommend that stockholders vote in favor of only the Company nominees who we believe are the most qualified to serve as directors – the Unopposed Company Nominees – to help achieve a Board composition that we believe is in the best interest of all stockholders. We recommend that stockholders do not vote for any of the Company's nominees other than the Unopposed Company Nominees. Among other potential consequences, voting for Company nominees other than the Unopposed Company Nominees may result in the failure of one or all of the ATG Nominees to be elected to the Board. ATG Capital therefore urges stockholders using our **GOLD** universal proxy card to vote "**FOR**" all of the ATG Nominees and "**FOR**" the Unopposed Company Nominees.

**IF YOU MARK FEWER THAN NINE (9) "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, OUR GOLD UNIVERSAL PROXY CARD, WHEN DULY EXECUTED, WILL BE VOTED ONLY AS DIRECTED. IF NO DIRECTION IS INDICATED WITH RESPECT TO HOW YOU WISH TO VOTE YOUR SHARES, THE PROXIES NAMED THEREIN WILL VOTE SUCH SHARES "FOR" THE FOUR (4) ATG NOMINEES AND THE FIVE (5) UNOPPOSED COMPANY NOMINEES.**

**IMPORTANTLY, IF YOU MARK MORE THAN NINE (9) "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, ALL OF YOUR VOTES FOR THE ELECTION OF DIRECTORS WILL BE DEEMED INVALID.**

The Company has set the close of business on September 2, 2026 as the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting (the "Record Date"). The address of the principal executive offices of the Company is 2512 W. Pecan St., Suite 230, Pflugerville, Texas 78660. According to the Company's proxy statement, as of the Record Date, there were 28,160,111 shares of Common Stock outstanding and entitled to vote at the Annual Meeting.

---

<sup>1</sup> On December 8, 2025, the Company disclosed that former director Ms. Karin-Joyce Tjon had resigned from the Board effective December 3, 2025. The Company has not disclosed any reduction to the size of the Board or the appointment of a new director to fill the vacancy resulting from Ms. Tjon's resignation. See Company's Current Report on Form 8-K filed with the SEC on December 8, 2025.

As of the date hereof, ATG Fund, a Delaware limited partnership, ATG Capital Management LP, a Delaware limited partnership (“ATG Management”), ATG Capital Management GP LLC, a Delaware limited liability company (“ATG GP”), and Gabriel D. Gliksberg, a citizen of the United States, and each of the ATG Nominees (each a “Participant” and collectively, the “Participants”), collectively beneficially own 4,500,000 shares of Common Stock (the “ATG Shares”). We intend to vote the ATG Shares **FOR** the election of the ATG Nominees and the Unopposed Company Nominees, **AGAINST** the approval of the 2025 Stock Plan Proposal, and **FOR** the ratification of the appointment of MaloneBailey, LLP as the Company’s independent registered public accounting firm and the review of the Company’s quarterly financial statements for the fiscal quarters ending March 31, June 30, and September 30, 2027.

We urge you to carefully consider the information contained in this Proxy Statement and then support our efforts by signing, dating and returning the enclosed **GOLD** universal proxy card today.

ATG CAPITAL URGES YOU TO SIGN, DATE AND RETURN THE **GOLD** UNIVERSAL PROXY CARD IN FAVOR OF THE ELECTION OF THE ATG NOMINEES AND THE UNOPPOSED COMPANY NOMINEES.

## BACKGROUND TO THE SOLICITATION

The following is a chronology of our involvement at the Company to date and the material events leading up to this proxy solicitation:

- In early January 2026, ATG Fund began acquiring Common Stock, based on the belief that the Common Stock represented an attractive investment opportunity.
- On January 26, 2026, ATG filed a Schedule 13D with the SEC (the “Schedule 13D”), disclosing aggregate beneficial ownership of 5.6% of the Company’s outstanding Common Stock.
- On January 28, 2026, ATG filed an amendment to the Schedule 13D, disclosing aggregate beneficial ownership of 10.4% of the Company’s outstanding Common Stock.
- On February 3, 2026, the Company announced that it had adopted a stockholder rights agreement (the “Poison Pill”), which is triggered upon a person or a group of affiliated or associated persons having acquired beneficial ownership of 12.5% of more of the outstanding Common Stock (an “Acquiring Person”). The Poison Pill provides that no person shall become an “Acquiring Person” solely as the result of an acquisition or redemption of Common Stock by the Company, which reduces the number of shares outstanding and thereby increases the proportion of shares owned by such person above 12.5% (provided that such person does not acquire any additional shares of Common Stock).
- On February 4, 2026, ATG filed an amendment to the Schedule 13D, disclosing aggregate beneficial ownership of 12.3% of the Company’s outstanding Common Stock.
- On February 5, 2026, counsel to ATG contacted counsel to the Company requesting a call to discuss ATG’s views on the Company.
- On February 6, 2026, counsel to ATG and counsel to the Company had a conference call, during which counsel to ATG expressed ATG’s view that material change to the composition of the Board was needed given the Company’s poor stock performance.
- On February 12, 2026, counsel to the Company contacted counsel to ATG requesting a call, which was scheduled for later that evening. On the conference call, counsel to the Company conveyed that the Board did not believe change to its composition was warranted and invited feedback on the Company’s share repurchase program.
- On February 25, 2026, ATG filed an amendment to the Schedule 13D, disclosing aggregate beneficial ownership of 13.7% of the Company’s outstanding Common Stock, based on a decrease in the aggregate number of Common Stock outstanding due to the Company’s share repurchase program.
- On February 26, 2026, ATG Fund delivered a notice of stockholder nominations (the “Nomination Notice”) to the Company nominating Arati Batta, Ronald H. Davies, James C. Elbaor, Gabriel D. Gliksberg, Meredith S. Kirshenbaum, Aaron T. Morris, Christopher E. Novak, Heather A. Powers and Evan Ratner (collectively, the “Original Nominees”) for election as directors at the Annual Meeting.
- On March 2, 2026, ATG filed an amendment to the Schedule 13D, disclosing the delivery of the Nomination Notice to the Company.

- On March 9, 2026, ATG filed an amendment to the Schedule 13D, disclosing aggregate beneficial ownership of 14.7% of the Company's outstanding Common Stock, based on a decrease in the aggregate number of Common Stock outstanding due to the Company's share repurchase program.
- On March 23, 2026, ATG Capital filed its preliminary proxy statement.
- Also on March 23, 2026, the Company issued a press release and filed a Current Report on Form 8-K announcing that it had entered into a securities purchase agreement with certain institutional investors to raise approximately \$25 million in a registered direct offering of equity and equity-linked securities (the "Dilutive Offering"), resulting in dilution to the Company's existing stockholders. The Company's stated purpose for the Dilutive Offering was to use the proceeds to reduce its outstanding debt and support its balance sheet, among other things.
- On March 25, 2026, ATG Capital delivered a supplement to the Nomination Notice to the Company updating and supplementing the Nomination Notice so that the information contained therein was true and accurate as of March 18, 2026 (the date ATG Capital believes may be the Record Date), as required under the Bylaws.
- On March 26, 2026, the Company's counsel sent a letter to ATG Capital's counsel (the "Nomination Notice Rejection Letter") rejecting the Nomination Notice based on purported deficiencies that ATG Capital strongly believes are pretextual, unfounded and unsupported by any evidence.
- Also on March 26, 2026, ATG Capital delivered a letter to the Company requesting the inspection of certain stockholder list materials and related information pursuant to Section 220 of the Delaware General Corporation Law.
- On March 29, 2026, ATG Capital's counsel sent a letter to the Company's counsel in response to the Nomination Notice Rejection Letter, asserting that the alleged deficiencies were baseless, requesting written support for certain purported deficiencies, demanding withdrawal of the Nomination Notice Rejection Letter, and reserving all rights to take any and all actions necessary to protect ATG Capital's rights with respect to the nomination of the ATG Nominees at the Annual Meeting.
- On April 1, 2026, ATG Capital filed a revised preliminary proxy statement.
- On April 2, 2026, ATG Capital initiated the Chancery Action by filing a verified complaint in the Court against the Company and the members of the Board, seeking declaratory and injunctive relief. The complaint alleges, among other things, that the directors breached their fiduciary duties in connection with (i) the adoption of the Poison Pill, (ii) the Dilutive Offering, (iii) the Company's rejection of the Nomination Notice based on alleged deficiencies under the Bylaws and (iv) the Company's public disclosures regarding its rejection of the Nomination Notice.
- On April 6, 2026, ATG Capital filed an amendment to the Schedule 13D and additional soliciting materials with the SEC disclosing the Chancery Action.

- On May 8, 2026, ATG Capital delivered to the Company a supplement to the director questionnaires submitted with the Nomination Notice (the “Questionnaires”) for certain of the ATG Nominees.
- On May 27, 2026, the Company announced that the Annual Meeting, which had originally been scheduled to be held on July 29, 2026, was postponed to September 23, 2026.
- On June 3, 2026, ATG Capital delivered to the Company an additional supplement to the Questionnaires for certain of the ATG Nominees.
- On June 30, 2026, the Company announced a strategic partnership with Cardinal Power LLC , an affiliate of Hunt Properties, Inc. (“Hunt Properties”), to originate, evaluate and acquire powered land properties with secured tenants suitable for artificial intelligence and high-performance computing data center development (the “Data Center Transaction”). The Company also announced that the partnership had entered into an agreement to acquire a property in the Midwest intended to be converted into an artificial intelligence data center for an aggregate purchase price of approximately \$230 million.
- On July 6, 2026, the Board terminated the Poison Pill, effective as of the close of business on that date and in advance of its scheduled February 2, 2027 expiration. ATG Capital believes that the Board’s early termination of the Poison Pill was primarily motivated by a desire to “moot” our challenge of the Poison Pill in the Chancery Action and constitutes a tacit admission that the Board’s adoption of the Poison Pill violated its fiduciary duties.
- On July 20, 2026, ATG Capital filed a supplemental complaint in the Chancery Action adding allegations that, among other things, that the Board breached its fiduciary duties by failing to reopen the nomination window following the announcement of the Data Center Transaction and the potential fundamental change to the Company’s business.
- On July 23, 2026, the Company announced a strategic investment in Cardinal Data Power Inc., a private developer of behind-the-meter powered data center campuses affiliated with Hunt Properties, to gain exposure to the artificial intelligence data center and power infrastructure market.
- On July 31, 2026, ATG Capital delivered to the Company an additional supplement to the Questionnaires for certain of the ATG Nominees.
- Over August 4 and 5, 2026, the trial in the Chancery Action took place in the Court. In connection with the Chancery Action and in order to permit the Court adequate time to render a ruling prior to the Annual Meeting, EMPD and ATG have agreed that the Annual Meeting will be held on October 14, 2026 and the record date for the Annual Meeting will be September 2, 2026, which has been acknowledged by the Court. EMPD and ATG expect a ruling in the Chancery Action to be entered by the end of August 2026.
- On August 5, 2026, the Company filed its preliminary proxy statement.
- On August 17, 2026, ATG Capital filed its revised preliminary proxy statement.

- On August 25, 2026, the Company filed its revised preliminary proxy statement.
- On August 28, 2026, the Court issued a post-trial memorandum opinion in the Chancery Action (the “Decision”). In the Decision, the Court held that the Nomination Notice was valid, complied with the Bylaws, and that the Board lacked contractual grounds to reject it. The Court further found that “the Board’s reject[ion] [of] the Nomination Notice was inequitable and constituted a breach of the directors’ fiduciary duties.” Among other things, the Court found that the Bylaws did not require ATG Capital to disclose certain information that the Board identified as allegedly missing from the Nomination Notice, and that the Board was not entitled to use an erroneous interpretation of the Bylaws to prevent stockholders from choosing their own directors. While the Decision also held that the Board did not breach its fiduciary duties by failing to reopen the nomination window following the announcement of the Data Center Transaction, the Court found that ATG Fund’s requested relief for such claim was not necessary as the Nomination Notice was valid and the election will not be uncontested. The Court noted that Empery stockholders “will not be disenfranchised” and “will therefore have a choice between the incumbent Board and ATG [Fund]’s slate.” As a result of the Decision, the ATG Nominees may stand for election at the Annual Meeting. The Decision did not resolve all of the claims asserted in the Chancery Action, including ATG Capital’s claims regarding the Dilutive Offering and other alleged breaches of fiduciary duty, and the Court directed the parties to submit a proposed schedule for resolving the remaining claims.
- On September 1, 2026, ATG Capital filed an amendment to the Schedule 13D, disclosing the Decision.
- On September 1, 2026, ATG Capital delivered to the Company an additional supplement to the Questionnaires for certain of the ATG Nominees.
- On September 3, 2026, the Court issued an order implementing the Decision.
- On September 4, 2026, ATG Fund delivered a letter to the Company withdrawing five (5) of the Original Nominees for election to the Board.
- Also on September 4, 2026, ATG Capital filed this definitive proxy statement.

## REASONS FOR THE SOLICITATION

As the Company's largest stockholder, ATG Capital believes significant value is embedded in EMPD and is committed to enhancing that value for the benefit of all stockholders.

The Company's shares have consistently traded at a discount to net asset value ("NAV") since the Board's July 2025 decision to pursue its Digital Asset Treasury strategy. In ATG Capital's view, the persistence of this discount reflects the market's lack of confidence in the current Board and its ability to steward the Company toward a premium valuation.

ATG Capital believes the Board has prioritized its entrenchment and self-preservation over maximizing stockholder value. This was demonstrated by the Board's rejection of multiple stockholders' nomination notices, adoption and early termination of the Poison Pill, and dilutive stock issuance to an investor known to management. On August 28, 2026, the Court found that "the Board's reject[ion] [of] the Nomination Notice was inequitable and constituted a breach of the directors' fiduciary duties." We believe that the Board's early termination of the Poison Pill was primarily motivated by a desire to "moot" our challenge of the Poison Pill in the Chancery Action and constitutes a tacit admission that the Board's adoption of the Poison Pill violated its fiduciary duties.

ATG Capital also views the Board's excessive size as symptomatic of the Company's poor corporate governance, particularly for a company executing what had been predominantly a simple treasury strategy, and now is largely a non-operating, minority investor in real estate transactions. ATG Capital further believes that it is inappropriate for the roles of Chief Executive Officer and Board Chair to be combined, as they currently are at EMPD, because this dual role undermines the separation of duties that is fundamental to effective Board oversight of management. ATG Capital's campaign has made clear the troublesome nature of this shared role, as our lawsuit with the Company has uncovered that the Governance Committee and the Board as a whole were kept in the dark during critical moments of our interactions with the Company.

ATG Capital is also concerned about certain relationships between the Company and Empery Asset Management, LP ("EAM"), a hedge fund founded by the Company's current Co-CEO and Chairman of the Board, Ryan Lane. The Company has hired staff from EAM, maintaining what ATG Capital believes to be an excessive employee count from EAM, and shares rent with EAM. In ATG Capital's view, these arrangements raise questions about EAM's influence and whether the Board is managing the Company's resources in the best interests of stockholders.

While we acknowledge that the Company has recently sought to diversify its operational strategy through the announced Data Center Transaction, ATG Capital questions if EMPD has any relevant competency on its management team or Board in evaluating minority positions in data center real estate transactions. We believe that stockholders would have been better served by having a say on the Board's composition prior to this enormous shift in strategy and converting its liquid balance sheet into illiquid, minority real estate investments. ATG Capital believes that EMPD's ongoing strategy of holding leveraged bitcoin is unlikely to outperform bitcoin. In ATG Capital's view, this strategy is likely to continue to result in underperformance on both a NAV basis and a stock price basis, which may cause the market to continue assigning a negative enterprise value to the Company's shares. It is clear to us that using significant leverage to hold a volatile asset is a poor strategy. ATG Capital believes that alternative paths exist that could enable the Company's shares to trade at a valuation that better reflects the value of its underlying assets.

ATG Capital believes that stockholders are being harmed by the Company's poor corporate governance. Accordingly, ATG Fund has nominated the ATG Nominees, four highly qualified and independent director candidates for election to the Board. If elected, the ATG Nominees intend to work constructively with their fellow directors and management to carefully evaluate opportunities to enhance stockholder value, including properly addressing the Company's persistent NAV discount. Such actions could include improving capital allocation discipline, potentially through instituting a dividend, paying down debt, repurchasing shares, or launching a tender offer at or close to NAV, enhancing investor transparency, reducing the Company's burdensome expense structure, and evaluating structural or strategic alternatives that may better align the Company's market valuation with the value of its underlying assets. If the Company's expense structure proves irredeemably high, the ATG Nominees may also consider whether the best path to maximizing stockholder value would be to sell some or all of the Company's assets and return the capital to stockholders. Any actions taken by a refreshed Board would be determined following appropriate review and consideration of the Company's circumstances at that time, including any material non-public information available to the Company's directors.

ATG Capital believes that a refreshed Board comprised of independent directors without material ties to the Company's July 2025 private placement is necessary to restore investor confidence that EMPD is being governed with the best interests of stockholders as its sole priority. Absent such a restoration of confidence, ATG Capital fears the market will indefinitely assign a meaningful discount to the Company's shares. In ATG Capital's view, the fresh perspectives and independence that its ATG Nominees would bring will help ensure that EMPD rigorously evaluates all opportunities to maximize value for its stockholders.

We urge you to vote **"FOR"** the election of each of the ATG Nominees today!

## **PROPOSAL 1**

### **ELECTION OF DIRECTORS**

There are currently eight (8) directors and one vacancy on the Board.<sup>2</sup> According to the Company's proxy statement, the Board will elect nine (9) director nominees to serve for a one-year term. Accordingly, we believe that nine (9) directors will stand for election at the Annual Meeting.

We are seeking your support at the Annual Meeting to elect our four (4) ATG Nominees, James C. Elbaor, Gabriel D. Gliksberg, Meredith S. Kirshenbaum and Aaron T. Morris, for terms ending at the Company's 2027 annual meeting of stockholders (the "2027 Annual Meeting"). Your vote to elect the ATG Nominees will have the legal effect of replacing four (4) incumbent directors with the ATG Nominees. If elected, the ATG Nominees will constitute a minority of the Board and there can be no guarantee that the ATG Nominees will be able to implement any actions that they may believe are necessary to unlock stockholder value. However, we believe the election of the ATG Nominees is a critical step in the right direction for enhancing long-term value at the Company. There is no assurance that any incumbent director will serve as a director if all or some of the ATG Nominees are elected to the Board. You should refer to the Company's proxy statement for the names, backgrounds, qualifications, and other information concerning the Company's nominees.

This Proxy Statement is soliciting proxies to elect not only our four (4) ATG Nominees, but also the five (5) Unopposed Company Nominees. We have provided the required notice to the Company pursuant to the Universal Proxy Rules, including Rule 14a-19(a)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and intend to solicit the holders of Common Stock representing at least 67% of the voting power of Common Stock entitled to vote on the election of directors in support of director nominees other than the Company's nominees.

### **THE ATG NOMINEES**

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices or employments for the past five (5) years of each of the ATG Nominees. The nominations were made in a timely manner and in compliance with the applicable provisions of the Company's governing instruments. The specific experience, qualifications, attributes and skills that led us to conclude that the ATG Nominees should serve as directors of the Company are set forth below. This information has been furnished to us by the ATG Nominees. Each of the ATG Nominees is a citizen of the United States of America.

ATG Capital believes that Mr. Gliksberg's significant financial, accounting, investment, audit, and marketing expertise, coupled with his extensive knowledge of corporate governance practices, make him well-qualified to serve on the Board.

**Meredith S. Kirshenbaum**, age 39, has served as Principal in the Labor & Employment and Litigation Groups at Goldberg Kohn Ltd., a law firm based in Chicago, Illinois, since January 2020, where she began working as an Associate in 2012. ATG Capital believes that Ms. Kirshenbaum's significant legal expertise along with a combination of governance, risk assessment, and strategic advisory experience, will make her a valuable addition to the Board.

**Aaron T. Morris**, age 39, has served as a Co-Founder and Partner of Morris Kandinov LLP, a law firm with offices in Vermont, New York and California, since 2019. Prior to that, Mr. Morris served as an Associate at Skadden, Arps, Slate, Meagher & Flom LLP & Affiliates, an international law firm, from 2012 to 2019. Mr. Morris served as a Law Clerk at Keller & Keller of Indianapolis, LLP, a personal injury law firm, from 2006 to 2010. Mr. Morris currently serves on the board of directors of Impax Environmental Markets Plc (LSE: IEM), a publicly traded investment trust, since June 2026. Mr. Morris has served as Vice President of Vermont Chapter of the Federal Bar Association, an organization committed to the interests, education, and professional development of all federal court practitioners, since June 2024. Mr. Morris received a J.D. from Boston College Law School and a B.S. in Economics from Indiana University. Mr. Morris is admitted to the New York Bar, Massachusetts Bar and Vermont Bar.

ATG Capital believes that Mr. Morris's experience with stockholder rights matters and, corporate governance matters would make him a valuable addition to the Board.

The principal business address of Mr. Elbaor is c/o Marlton LLC, 222 West Merchandise Mart Plaza, Suite 1212, Chicago, Illinois 60654. The principal business address of Mr. Gliksberg is c/o ATG Capital Management, LLC, 16690 Collins Avenue, Suite 1103, Sunny Isles Beach, Florida 33160. The principal business address of Ms. Kirshenbaum is c/o Goldberg Kohn Ltd., 55 East Monroe Street, Chicago, Illinois 60603. The principal business address of Mr. Morris is 4915 Mountain Road, Suite 4, Stowe, VT 05672.

As of the date hereof, none of the ATG Nominees (other than Mr. Gliksberg) own beneficially or of record any securities of the Company nor have any of the ATG Nominees entered into any transactions in securities of the Company during the past two years.

As of the date hereof, ATG Fund directly beneficially owns 4,500,000 shares of Common Stock. ATG Management, as the investment manager of ATG Fund, may be deemed to beneficially own the shares of Common Stock owned directly by ATG Fund. ATG GP, as the general partner of ATG Management, may be deemed to beneficially own the shares of Common Stock owned directly by ATG Fund. Mr. Gliksberg, as the Managing Member of the ATG GP, may be deemed to beneficially own the shares of Common Stock owned directly by ATG Fund.

Each ATG Nominee may be deemed to be a member of a “group” with the other Participants for the purposes of Section 13(d) (3) of the Exchange Act, and such group may be deemed to beneficially own the 4,500,000 shares of Common Stock beneficially owned in the aggregate by all of the Participants. Each ATG Nominee disclaims beneficial ownership of the shares of Common Stock that he or she does not directly own.

We believe that each ATG Nominee presently is, and if elected as a director of the Company, each of the ATG Nominees would be, an “independent director” within the meaning of (i) applicable NASDAQ listing standards applicable to board composition and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. Notwithstanding the foregoing, ATG Capital acknowledges that no director of a NASDAQ listed company qualifies as “independent” under the NASDAQ listing standards unless the board of directors affirmatively determines that such director is independent under such standards. Accordingly, ATG Capital acknowledges that if any ATG Nominee is elected, the determination of such ATG Nominees’ independence under the NASDAQ listing standards ultimately rests with the judgment and discretion of the Board. No ATG Nominee is a member of the Company’s compensation, nominating or audit committee that is not independent under any such committee’s applicable independence standards.

On February 26, 2026, the Participants entered into a Joint Filing and Solicitation Agreement (the “JFSA”) in which, among other things, (i) the Participants agreed to the joint filing on behalf of each of them of statements on Schedule 13D with respect to the securities of the Company to the extent required by applicable law, (ii) the Participants agreed to solicit proxies for the election of certain persons nominated for election to the Board (including the ATG Nominees), (iii) each of the ATG Nominees (other than Mr. Gliksberg) agreed to provide the ATG with advance written notice prior to effecting any purchase, sale, acquisition or disposition of any securities of the Company and (iv) the Participants agreed that ATG shall have the right to pre-approve all expenses incurred in connection with the Participants’ activities and ATG agreed to pay directly all such pre-approved expenses in connection with the solicitation.

ATG Management entered into letter agreements (the “Indemnification Agreements”) with each of the ATG Nominees, other than Mr. Gliksberg, pursuant to which ATG Management and its affiliates have agreed to indemnify such ATG Nominees against claims arising from the solicitation of proxies from the Company’s stockholders in connection with the Annual Meeting and any related transactions. For the avoidance of doubt, such indemnification does not apply to any claims made against any such ATG Nominees in his or her capacity as a director of the Company, if so elected.

Each ATG Nominee (other than Mr. Gliksberg) has granted Mr. Gliksberg a power of attorney (collectively, the “POAs”) to execute certain SEC filings and other documents in connection with the solicitation of proxies from the Company’s stockholders in connection with the Annual Meeting and any related transactions.

Ms. Kirshenbaum is a limited partner in ATG Fund holding an equity interest of less than one percent (1%). For the avoidance of doubt, Ms. Kirshenbaum does not have the power to vote or dispose of any securities held by ATG Fund (nor does she have the right to acquire such voting or dispositive power within 60 days) and Ms. Kirshenbaum’s interest in ATG Fund was not acquired in connection with her nomination or her service as an ATG Nominee.

Mr. Gliksberg is a limited partner in Marlton Partners, L.P. (an affiliate of Mr. Elbaor) (“Marlton Partners”) holding an equity interest of less than one percent (1%). For the avoidance of doubt, Mr. Gliksberg’s interest in Marlton Partners was not acquired in connection with his or Mr. Elbaor’s nomination or his or Mr. Elbaor’s service as an ATG Nominee.

Further, Mr. Morris’s law firm, Morris Kandinov LLP, maintains an attorney-client relationship with Mr. Gliksberg and currently represents and has represented ATG Capital and certain of its affiliates in matters unrelated to ATG’s nomination of the ATG Nominees and this solicitation, and has entered into certain privileged and/or confidential agreements in connection therewith.

As further described elsewhere in this Proxy Statement, ATG Fund has initiated the Chancery Action, a lawsuit against the Company and its directors, asserting that the Board breached the Bylaws and breached its fiduciary duties in rejecting the Nomination Notice. ATG Fund sought declaratory and injunctive relief including, among other items, an order declaring that our nomination of the ATG Nominees satisfied the Bylaws and is valid, and enjoining the Company from soliciting proxies until such time as it has made corrective disclosures with respect to our nominations. On August 28, 2026, the Court issued the Decision in the Chancery Action holding that the Nomination Notice of the ATG Nominees was valid and complied with the Bylaws. The Court further found that “the Board’s reject[ion] [of] the Nomination Notice was inequitable and constituted a breach of the directors’ fiduciary duties.” The Decision expressly stated that “ATG [Fund]’s Nomination Notice is valid. ATG [Fund]’s nominees may stand for election at Empery’s annual meeting.”

During the Chancery Action, the Company asserted that ATG Fund was required to disclose (a) a short position it held in certain Bitcoin ETFs (the “Bitcoin Short”), and (b) information concerning another stockholder, Tice Brown, as an alleged “participant” in ATG Fund’s proxy campaign, in the Nomination Notice. The Company also asserted that ATG Fund was required to disclose the Bitcoin Short on its Schedule 13D filed on January 26, 2026, because ATG Fund stated that it might “engag[e] in short selling of or any hedging or similar transaction with respect to the Shares.”

The Court found that disclosure of the Bitcoin Short is not required under the Bylaws and that “ATG [Fund] could not fairly be expected to guess that the Board would interpret the Bylaws to require the disclosure of a Bitcoin short position.” The Court held that the Defendants’ actions “reflect[] a misunderstanding of not only basic contract interpretation, but also the purpose advance notice bylaws serve under Delaware law.” We believe that the Company’s assertion that ATG Fund was required to disclose the Bitcoin Short on its Schedule 13D filing is also baseless, and that the January 26 Schedule 13D is accurate as the reference to “Shares,” as defined therein, is to the Company’s Common Stock and does not refer to hedging transactions in Bitcoin ETFs.

Further, as the Decision notes, ATG Fund previously held the Bitcoin Short. Given the Company’s operational shift, ATG Fund has since closed out the Bitcoin Shorts and, as of the date hereof, no longer holds any short positions in Bitcoin ETFs. For the avoidance of doubt, other than its previously disclosed brief short sale of February 2026 call options, ATG Fund has never held short positions in any securities of the Company.

In its post-trial brief, the Company asserted new allegations that Mr. Brown was a member of a “group” for the purposes of Section 13(d) of the Securities Exchange Act of 1934, as amended, and/or had agreements, arrangement or understandings with respect to the Company with ATG Fund. In the Decision, the Court found that “Mr. Brown is not a participant in ATG [Fund’s] solicitation” and that ATG Fund was not required to include information concerning Mr. Brown in the Nomination Notice. The Court did not reach a decision regarding the Company’s other claims regarding Mr. Brown raised in the post-trial brief. ATG Fund vigorously disputes these allegations.

Except as otherwise set forth in this Proxy Statement (including the Schedules hereto), (i) during the past 10 years, no ATG Nominee has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors); (ii) no ATG Nominee directly or indirectly beneficially owns any securities of the Company; (iii) no ATG Nominee owns any securities of the Company which are owned of record but not beneficially; (iv) no ATG Nominee has purchased or sold any securities of the Company during the past two years; (v) no part of the purchase price or market value of the securities of the Company owned by any ATG Nominee is represented by funds borrowed or otherwise obtained for the purpose of acquiring or holding such securities; (vi) no ATG Nominee nor any of his or her associates is, or within the past year was, a party to any contract, arrangements or understandings with any person with respect to any securities of the Company, including, but not limited to, joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies; (vii) no associate of any ATG Nominee owns beneficially, directly or indirectly, any securities of the Company; (viii) no ATG Nominee owns beneficially, directly or indirectly, any securities of any parent or subsidiary of the Company; (ix) no ATG Nominee nor any of his or her affiliates, associates or immediate family members was a party to any transaction, or series of similar transactions, since the beginning of the Company's last fiscal year, or is a party to any currently proposed transaction, or series of similar transactions, to which the Company or any of its subsidiaries was or is to be a party, in which the amount involved exceeds \$120,000; (x) no ATG Nominee nor any of his or her associates has any arrangement or understanding with any person with respect to any future employment by the Company or its affiliates, or with respect to any future transactions to which the Company or any of its affiliates will or may be a party; (xi) no ATG Nominee nor any of his or her associates has a substantial interest, direct or indirect, by securities holdings or otherwise in any matter to be acted on at the Annual Meeting; (xii) no ATG Nominee holds any positions or offices with the Company; (xiii) no ATG Nominee has a family relationship with any director, executive officer, or person nominated or chosen by the Company to become a director or executive officer; (xiv) no companies or organizations, with which any of the ATG Nominees has been employed in the past five years, is a parent, subsidiary or other affiliate of the Company and (xv) there are no material proceedings to which any ATG Nominee or any of his or her associates is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries. Except as disclosed herein, with respect to each of the ATG Nominees, (a) none of the events enumerated in Item 401(f)(1)-(8) of Regulation S-K of the Exchange Act ("Regulation S-K") occurred during the past 10 years, (b) there are no relationships involving any ATG Nominee or any of such ATG Nominee's associates that would have required disclosure under Item 407(e)(4) of Regulation S-K had such ATG Nominee been a director of the Company, and (c) none of the ATG Nominees nor any of their associates has received any fees earned or paid in cash, stock awards, option awards, non-equity incentive plan compensation, changes in pension value or nonqualified deferred compensation earnings or any other compensation from the Company during the Company's last completed fiscal year, or was subject to any other compensation arrangement described in Item 402 of Regulation S-K.

Other than as set forth in this Proxy Statement, there are no agreements, arrangements or understandings between or among the ATG Group and the ATG Nominees or any other person or persons pursuant to which the nominations described herein are to be made, other than the consent by each of the ATG Nominees to be named as a nominee of ATG Capital in any proxy statement relating to the Annual Meeting and serving as a director of the Company if elected. None of the ATG Nominees is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceeding.

We do not expect that any of the ATG Nominees will be unable to stand for election, but, in the event any ATG Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed **GOLD** universal proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Company's organizational documents and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to its organizational documents or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any ATG Nominee, to the extent this is not prohibited under the Company's organizational documents and applicable law. In any such case, shares of Common Stock represented by the enclosed **GOLD** universal proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent that is not prohibited under the Company's organizational documents and applicable law, if the Company increases the size of the Board above its existing size.

ATG Capital and EMPD will each be using a universal proxy card for voting on the election of directors at the Annual Meeting, which will include the names of all nominees for election to the Board. Each of the ATG Nominees has consented to being named as a nominee for election as a director of the Company in any proxy statement relating to the Annual Meeting. Stockholders will have the ability to vote for up to nine (9) nominees on ATG Capital's enclosed **GOLD** universal proxy card. Any stockholder who wishes to vote for any combination of the ATG Nominees and the Company's nominees may do so on the enclosed **GOLD** universal proxy card. **There is no need to use the Company's white universal proxy card or voting instruction form, regardless of how you wish to vote.**

Stockholders are permitted to vote for fewer than nine (9) nominees or for any combination (up to nine (9) total) of the ATG Nominees and the Company's nominees on the **GOLD** universal proxy card. However, if stockholders choose to vote for any of the Company's nominees, we recommend that stockholders vote in favor of the Unopposed Company Nominees, who we believe are sufficiently qualified to serve as directors, to help achieve a Board composition that we believe is in the best interest of all stockholders. **There is no need to use the Company's white universal proxy card or voting instruction form, regardless of how you wish to vote.** However, ATG Capital urges stockholders to vote using our **GOLD** universal proxy card **"FOR"** the four (4) ATG Nominees and **"FOR"** the five (5) Unopposed Company Nominees.

The Company nominees that ATG Capital does not oppose and believes are sufficiently qualified to serve as directors with the ATG Nominees are the Unopposed Company Nominees. Certain information about the Unopposed Company Nominees is set forth in the Company's proxy statement. ATG Capital is not responsible for the accuracy of any information provided by or relating to the Company or its nominees contained in any proxy solicitation materials filed or disseminated by, or on behalf of, the Company or any other statements that the Company or its representatives have made or may otherwise make.

**IF YOU MARK FEWER THAN NINE (9) "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, OUR GOLD UNIVERSAL PROXY CARD, WHEN DULY EXECUTED, WILL BE VOTED ONLY AS DIRECTED. IF NO DIRECTION IS INDICATED WITH RESPECT TO HOW YOU WISH TO VOTE YOUR SHARES, THE PROXIES NAMED THEREIN WILL VOTE SUCH SHARES "FOR" THE FOUR (4) ATG NOMINEES AND THE FIVE (5) UNOPPOSED COMPANY NOMINEES.**

**IMPORTANTLY, IF YOU MARK MORE THAN NINE (9) "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, ALL OF YOUR VOTES FOR THE ELECTION OF DIRECTORS WILL BE DEEMED INVALID.**

**WE STRONGLY URGE YOU TO VOTE "FOR" THE ELECTION OF THE ATG NOMINEES ON THE ENCLOSED GOLD UNIVERSAL PROXY CARD.**

## PROPOSAL 2

### 2025 STOCK PLAN PROPOSAL

As discussed in further detail in the Company's proxy statement, the Company is asking stockholders to approve the Empery Digital Inc. 2025 Equity Incentive Plan (the "2025 Stock Plan"), which the Board adopted on July 16, 2025 to replace the Volcon, Inc. 2021 Stock Plan (the "2021 Stock Plan"). According to the Company's proxy statement, if approved by stockholders, the 2025 Stock Plan will become effective upon such approval, and the 2021 Stock Plan will terminate on the day following the date of the Annual Meeting, although it will continue to govern outstanding awards previously granted thereunder.

According to the Company's proxy statement and subject to certain adjustments as described in the Company's proxy statement, the maximum number of shares that may be delivered in satisfaction of awards under the 2025 Stock Plan is 6,846,589 shares (the "Share Pool"). The Company states that there are currently no shares available to grant additional awards under the 2021 Stock Plan. According to the Company, as of September 1, 2026, the Company had outstanding stock options covering 1,298,336 shares at a weighted average exercise price of \$21.85 per share and a weighted average remaining term of 8.9 years, representing approximately 3.5% of the Company's fully diluted outstanding shares. The Company states that the additional 6,846,589 shares that would be available for issuance under the 2025 Stock Plan would increase the overhang percentage by an additional 12.0%, to approximately 15.4%, based on the Company's fully diluted outstanding shares as of September 1, 2026. The Company further states that it does not expect to grant any new awards to existing or new employees, directors or consultants.

According to the Company's proxy statement, in connection with the July 2025 private placements, certain directors and officers were granted stock options under the 2025 Stock Plan, the exercisability of which is subject to stockholder approval of the 2025 Stock Plan. The options have a 10-year term and, according to the Company, as of September 1, 2026, 80% of the options granted to each director and officer had vested. If the 2025 Stock Plan is not approved, these options will not become exercisable. For additional information regarding the 2025 Stock Plan and awards thereunder, please refer to the Company's proxy statement.

Due to the Company's significant underperformance and destruction of stockholder value overseen by the current leadership team, as more fully explained in the "Reasons for the Solicitation" section above, we do not believe such leadership team should be rewarded with the exercisability of the stock options previously granted under the 2025 Stock Plan. If elected, the ATG Nominees intend to review the Company's compensation and equity incentive structures. Accordingly, we intend to vote AGAINST this proposal and recommend that our fellow stockholders do the same.

According to the Company's proxy statement, the approval of the 2025 Stock Plan Proposal requires the affirmative vote of the holders of at least the majority of the voting power of the votes cast (excluding abstentions and broker non-votes) at the Annual Meeting. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

**WE RECOMMEND STOCKHOLDERS VOTE AGAINST AND INTEND TO VOTE THE ATG SHARES "AGAINST" THE APPROVAL OF THE 2025 STOCK PLAN PROPOSAL**

### **PROPOSAL 3**

#### **RATIFICATION OF THE APPOINTMENT OF MALONE BAILEY, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2026**

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board (the "Audit Committee") has appointed MaloneBailey, LLP as the Company's independent registered public accounting firm to audit the books and accounts of the Company for the fiscal year ending December 31, 2026 and the review of the Company's quarterly financial statements for the fiscal quarters ending March 31, June 30, and September 30, 2027. According to the Company's proxy statement, because the vote is advisory, it will not be binding upon the Audit Committee, and will not overrule any decision made by the Audit Committee, or create or imply any additional fiduciary duty by the Audit Committee. The Audit Committee may, however, take into account the outcome of the vote when considering future auditor appointments.

According to the Company's proxy statement, ratification of MaloneBailey, LLP requires the affirmative vote of the holders of at least the majority of the voting power of the votes cast (excluding abstentions and broker non-votes) at the Annual Meeting. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

**WE RECOMMEND STOCKHOLDERS VOTE "FOR" AND INTEND TO VOTE THE ATG SHARES "FOR" THE RATIFICATION OF THE APPOINTMENT OF MALONEBAILEY, LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2026**

## VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares after the Record Date. Each share entitles the holder to one vote on each of the matters to be voted upon at the Annual Meeting. Based on publicly available information, ATG Capital believes that the only class of stock of the Company entitled to vote at the Annual Meeting is its Common Stock.

Shares of Common Stock represented by properly executed **GOLD** universal proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted **FOR** the election of the ATG Nominees and the Unopposed Company Nominees, **AGAINST** the approval of the 2025 Stock Plan Proposal, and **FOR** the ratification of the appointment of MaloneBailey, LLP as the Company's independent registered public accounting firm.

The Company has an annually elected Board, based on publicly available information ATG Capital believes that there will be nine (9) director seats eligible for election at the Annual Meeting. We are soliciting proxies to elect the four (4) ATG Nominees. ATG Capital and EMPD will each be using a universal proxy card for voting on the election of directors at the Annual Meeting, which will include the names of all nominees for election to the Board. Stockholders will have the ability to vote for up to nine (9) nominees on ATG Capital's enclosed **GOLD** universal proxy card. Any stockholder who wishes to vote for any combination of the ATG Nominees and the Company's nominees may do so on the enclosed **GOLD** universal proxy card. **There is no need to use the Company's white universal proxy card or voting instruction form, regardless of how you wish to vote.**

Stockholders are permitted to vote for fewer than nine (9) nominees or for any combination (up to nine (9) total) of the ATG Nominees and the Company's nominees on the **GOLD** universal proxy card. However, if stockholders choose to vote for any of the Company's nominees, we recommend that stockholders vote in favor of only the Company's nominees who we believe are most qualified to serve as directors – the "Unopposed Company Nominees" – to help achieve a Board composition that we believe is in the best interest of all stockholders. We recommend that stockholders do not vote for any of the Company's nominees other than the Unopposed Company Nominees. Among other potential consequences, voting for Company nominees other than the Unopposed Company Nominees may result in the failure of one or more of the ATG Nominees to be elected to the Board.

We believe that voting on the **GOLD** universal proxy card provides the best opportunity for stockholders to elect all of the ATG Nominees and achieve the best Board composition overall. ATG Capital therefore urges stockholders to use our **GOLD** universal proxy card to vote "**FOR**" the four (4) ATG Nominees and "**FOR**" the five (5) Unopposed Company Nominees.

**IMPORTANTLY, IF YOU MARK MORE THAN NINE (9) "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, ALL OF YOUR VOTES FOR THE ELECTION OF DIRECTORS WILL BE DEEMED INVALID. IF YOU MARK FEWER THAN NINE (9) "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, THIS PROXY CARD, WHEN DULY EXECUTED, WILL BE VOTED "FOR" THOSE NOMINEES YOU HAVE SO MARKED AND DEFAULT TO A "WITHHOLD" VOTE WITH RESPECT TO ANY NOMINEE LEFT UNMARKED.**

## **VIRTUAL MEETING**

The Company has disclosed that the Annual Meeting will be held exclusively online. Stockholders will not be able to attend the Annual Meeting in person.

The Company has disclosed that the Annual Meeting will be held online via the following website: [www.virtualshareholdermeeting.com/EMPD2026](http://www.virtualshareholdermeeting.com/EMPD2026). According to the Company's proxy statement, stockholders must pre-register at [www.proxyvote.com](http://www.proxyvote.com) by 10:00 AM Central Time on October 13, 2026. To participate in the Annual Meeting, stockholders will need the control number included on your proxy card or on the instructions that accompanied your proxy materials. Shares held in your name as the stockholder of record may be voted electronically during the Annual Meeting. Shares for which stockholders are the beneficial owner but not the stockholder of record also may also be voted electronically during the Annual Meeting in accordance with the instructions from your broker, bank or other nominee. However, even if you plan to attend the Annual Meeting online, ATG Capital recommends that you vote your shares in advance, so that your vote will be counted if you later decide not to attend the Annual Meeting. If you are a beneficial owner, you will also need to present a control number showing proof of ownership to attend the Annual Meeting. Login will be available starting at 9:45 A.M., Central Time and the meeting will begin promptly at 10:00 A.M., Central Time.

## **QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING**

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. According to the Company's proxy statement, the presence at the Annual Meeting, in person or by proxy, of the holders of one-third in voting power of the stock issued and outstanding and entitled to vote at the Annual Meeting, constitutes a quorum. According to the Company's proxy statement, if you submit a properly executed proxy, then you will be considered part of the quorum.

Abstentions, withhold votes, and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum.

If you are a stockholder of record, you must deliver your vote by Internet, telephone or mail or attend the Annual Meeting virtually and vote in order to be counted in the determination of a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. A broker non-vote occurs when a broker holding shares for a beneficial owner has discretionary authority to vote on "routine" matters brought before a stockholder meeting, but the beneficial owner of the shares fails to provide the broker with specific instructions on how to vote on any "non-routine" matters brought to a vote at the stockholder meeting. Under the rules governing brokers' discretionary authority, if a stockholder receives proxy materials from or on behalf of both ATG Capital and the Company, then brokers holding shares in such stockholder's account will not be permitted to exercise discretionary authority regarding any of the proposals to be voted on at the Annual Meeting, whether "routine" or not. As a result, there would be no broker non-votes by such brokers. In such case, if you do not submit any voting instructions to your broker, then your shares will not be counted in determining the outcome of any of the proposals at the Annual Meeting, nor will your shares be counted for purposes of determining whether a quorum exists. However, if you receive proxy materials only from the Company, then brokers will be entitled to vote your shares on "routine" matters without instructions from you. The only proposal that would be considered "routine" in such event is Proposal 3 (ratification of the Company's independent registered public accounting firm). A broker will not be entitled to vote your shares on any "non-routine" matters, absent instructions from you. We urge you to instruct your broker about how you wish your shares to be voted.

## **VOTES REQUIRED FOR APPROVAL**

*Proposal 1: Election of Directors* — According to the Company's proxy statement, directors are elected by a plurality of the votes cast at the Annual Meeting. "Plurality" means that the nominees who receive the largest number of votes cast "FOR" are elected as directors. As a result, any shares not voted "FOR" a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election. Votes of "WITHHOLD" and broker non-votes have no legal effect on the election of directors due to the fact that such elections are by a plurality. Abstentions will have no effect on the outcome of this proposal.

*Proposal 2: Approval of the 2025 Stock Plan Proposal* — According to the Company’s proxy statement, the affirmative vote of the holders of at least the majority of the voting power of the votes cast (excluding abstentions and broker non-votes) at the Annual Meeting is required to approve the 2025 Stock Plan Proposal. The Company has disclosed that abstentions and broker non-votes will have no effect on the outcome of this proposal.

*Proposal 3: Ratification of Independent Registered Public Accounting Firm* — According to the Company’s proxy statement, the ratification of the appointment of MaloneBailey, LLP as the Company’s independent registered public accounting firm requires the affirmative vote of the holders of at least the majority of the voting power of the votes cast (excluding abstentions and broker non-votes). If you hold your shares in street name, your broker may not vote your shares without your instruction. We believe that abstentions and broker non-votes will have no effect on the outcome of this proposal.

Under applicable Delaware law, appraisal rights are not applicable to the voting on any matter to be considered at the Annual Meeting. If you sign and submit your **GOLD** universal proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with ATG Capital’s recommendations specified herein and in accordance with the discretion of the persons named on the **GOLD** universal proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

## **REVOCATION OF PROXIES**

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting virtually (although, attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to ATG Capital in care of Saratoga at the address set forth on the back cover of this Proxy Statement or to the Corporate Secretary of the Company at 2512 W Pecan St., Suite 230, Pflugerville, Texas 78660, or any other address provided by the Company on or before the Annual Meeting. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to ATG Capital in care of Saratoga at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares of Common Stock. Additionally, Saratoga may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the ATG Nominees.

**IF YOU WISH TO VOTE FOR THE ELECTION OF THE ATG NOMINEES, PLEASE SIGN, DATE AND RETURN THE ENCLOSED GOLD UNIVERSAL PROXY CARD TODAY IN THE POSTAGE-PAID ENVELOPE PROVIDED.**

## SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by ATG Capital. Proxies may be solicited by mail, facsimile, telephone, Internet, in person and by advertisements.

ATG Fund has entered into an agreement with Saratoga for solicitation and advisory services in connection with the solicitation, for which Saratoga will receive a fee not to exceed \$90,000, together with reimbursement for its reasonable and out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. Saratoga will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. ATG Capital has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares they hold of record. It is anticipated that Saratoga will employ approximately 15 persons to solicit the Company's stockholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by ATG. Costs of this solicitation of proxies are currently estimated to be \$9.15 million. ATG estimates that through the date hereof, its expenses in connection with this solicitation are approximately \$8.15 million. The foregoing estimates are inclusive of litigation fees billed at discounted base rates in connection with the Chancery Action. Litigation counsel is further entitled to seek from the Court a success fee for corporate benefits achieved in the Chancery Action. To the extent legally permissible, if ATG is successful in its proxy solicitation, ATG intends to seek reimbursement from the Company for the expenses it incurs in connection with this solicitation. ATG does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

## SCHEDULE II

*The following table is reprinted from the Company's definitive proxy statement filed with the Securities and Exchange Commission on September 3, 2026.*

### **Beneficial Ownership of Common Stock**

The following table sets forth information regarding the beneficial ownership of our common stock as of September 1, 2026:

- each person or group known by us to own beneficially more than five percent (5%) of the outstanding shares of common stock;
- each of our directors;
- each of our NEOs (defined herein); and
- all of our directors and executive officers as a group.

We have determined beneficial ownership in accordance with the rules of the SEC. These rules generally provide that a person is the beneficial owner of securities if such person has or shares the power to vote or direct the voting of securities, or to dispose or direct the disposition of securities, or has the right to acquire such powers within 60 days through (i) the exercise of any option or warrant, (ii) the conversion of a security, (iii) the power to revoke a trust, discretionary account or similar arrangement or (iv) the automatic termination of a trust, discretionary account or similar arrangement. Except as otherwise indicated, we believe that the beneficial owners of common stock listed below, based on the information each of them has given to us, have sole investment and voting power with respect to their shares, except where community property laws may apply. Except as otherwise noted below, the address for each person or entity listed in the table is c/o Empery Digital Inc., 2512 W Pecan St., Suite 230, Pflugerville, Texas 78660.
